

**ORDINANCE 14-4657
WATER RATES**

AN ORDINANCE SETTING WATER RATES FOR SERVICES PROVIDED BY THE CITY OF CHERRYVALE, KANSAS.

WHEREAS, the City of Cherryvale has a commitment to provide quality water to all of its customers; and

WHEREAS, the City of Cherryvale Water Distribution System will need upgrades and repairs; and

WHEREAS, a water rate analysis was performed by the City Administrator and presented to the Governing Body as required by City Code.

NOW THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF CHERRYVALE, KANSAS, THAT:

SECTION 1. WATER RATES. Water rates are hereby changed to \$13.00 for a base service charge and a unit charge of \$8.57 per 1,000 gallons of water consumed. The charge for bulk water shall not exceed the rate of \$10.00 per 1,000 gallons of water consumed.

SECTION 2. RURAL WATER RATES. Rural water rates are hereby changed to \$13.00 for a base service charge and a unit charge of \$10.98 per 1,000 gallons of water consumed.

SECTION 3. EFFECTIVE. This ordinance shall be effective after passage and publication is complete and for all meter readings beginning December 1, 2014.

SECTION 4. REVIEW. The City Administrator or his or her designee shall continue to perform a rate review on a yearly basis and present his or her findings to the Governing Body at the last Council Meeting in November.

SECTION 5. REPEAL. Ordinance No. 12-4629 is hereby repealed.

PASSED AND APPROVED THIS 17TH DAY OF NOVEMBER, 2014.

John M Wright
John Wright, Mayor

ATTEST:

Christopher Weiner

Christopher Weiner, City Clerk
